Cupid's Advice:

Relationships can be really tough sometimes, especially when drama is involved. There are a few ways to keep the drama in your relationship to a minimum:

1. Talk to each other first: Before you both go and assume something is wrong or what somebody else says is true, you should talk it out. Call one another, talk face to face, just figure it out before you start blaming one another.

2. Don't let others involved: If you want this drama to stay between just you two, don't post to social media. That will just get other people involved, do you really want that? Sometimes things just need to stay between you and your partner.
