Cupid's Advice:

Relationships can be difficult. They can especially be hard when you have other things going on in your life. Cupid has some relationship advice on why it is okay to take a step back from your relationship for a while or for good:

1. Just got out of a relationship: If you just recently ended a relationship then maybe you should take some time for yourself. Don't find yourself in another relationship that is just as stressful or that you can't make time for. Take a break.

2. Moving too fast: If you feel like things are moving incredibly fast then maybe you should take a break from each other. Sometimes relationships can be suffocating and you need to take a break and have time to yourself.

3. Other responsibilities: Important things can come up. For instance, somebody in your life may be hurt, you may have struggles yourself. So if you need the time alone then tell your partner, they will understand. And if they don't then they weren't right for you anyways.
