Cupid's Advice:

Starting off in a new relationship can be difficult when everyone wants to know your business. Cupid has some dating advice on how to keep your new relationship on the down-low until you are ready:

1. Stay in: If you are still getting to know each other and you're not ready for the world to know about your relationship yet, then spend more time indoors. Have movie nights and make dinner together at home. It will be just as romantic or maybe even more than a fancy dinner at a restaurant.

2. Spread out time: Don't spend every single day together if you don't want people to find out fast. Spread out your time. Your friends and family may ask you where you have disappeared to and that will be a hard question to answer if you want to keep it on the down-low for now.

3. Special spots: Have special meeting spots. If you want to spend time outdoors then find places that are quiet and you won't be noticed as quickly. It will be nice for the two of you to get out and have some fresh air.
