Cupid's Advice:

Once you have lost trust, forgiveness is hard to give. However, sometimes finding in your heart a way to be compassionate is the right path to take. The inevitable mistakes that humans make should not always be punished with hatred. Cupid has a few reasons why forgiving an ex just might be the right move for you:

1. It allows you to release difficult emotions: Unless you acknowledge your irritable feelings of blame, guilt and anger then you will never be able to feel better. Forgiving does not mean forgetting and it also doesn't mean you have to let their actions slide. Forgiving does allow you to clear your mind and heal.

2. It teaches us to keep our standards reasonable: Sometimes we become so engulfed in an argument that we don't even realize how we are overreacting. We cannot be right 100% of the time so giving your partner the benefit of the doubt might help save your relationship and also show that we are setting the bar too high.
