

Expert Dating Advice: Why Using a Matchmaker is Better Than Dating on Your Own

By Lori Zaslow and Jennifer Zucher for [Project Soulmate](#) with contributing writer Emily Stovall

It's no secret that relationships are not always easy. In some cases, going to a professional matchmaker might be better than dating on your own. Consider our [dating advice](#) on how to know when it's time to get an expert involved and everything they can do for your love life. This love advice may save your troubling love life!

Relationship Experts Give Dating Advice On Using A Matchmaker

So let's first see why you might need a matchmaker. Below are five scenarios which may indicate your relationship and love life would be better off with the help of a relationship expert. Warning: If you identify with the below scenarios do not panic. There are **professional matchmakers** just waiting to provide you with dating advice to solve your dating woes!

1. Your friends pick guys they like, but not necessarily a guy you would like.
2. A bar is great for finding a hook-up, but you've come to realize it's not so great for finding **love in NYC**.
3. Meeting and falling for a guy at work has led to way too many negative consequences.
4. You've tried dating sites, but get exhausted with all of the options and questions and usually just give up.
5. You finally get asked out on a date with a semi-attractive person, but you have no clue what to talk about.

Do any of these issues seem like you? Yeah? I thought so and that is exactly why using a **professional matchmaker** is an essential step for you. Take a look at some of the benefits a **top matchmaker** like [Project Soulmate](#) can bring you. Don't swoon just yet, the best is yet to come!

1. **Matchmakers** have the time to look at a wider range of options. They know how hard it is to find **love in New York**, but they have their own networks filled with quality people looking for love who they're just waiting to match you with.

2. Matchmakers don't get tired. Trust me, matchmakers *can* and *will* spend every waking moment looking for the right match for you; they genuinely care about finding you love.

3. Your matchmakers have your best interest in mind, and by that we mean they perfectly match you based on your interests, not just your looks. You'll never be at a loss for words on your first date because the similarities between you two will just keep flowing.

4. Your matchmakers are with you every step of the way. Once you and your match cross the line into dating, your matchmakers don't disappear. They're always there to give you feedback and expert dating advice. Your matchmakers are **relationship experts**, who go far beyond just finding the guy; they will make sure your new relationship will **last a lifetime**.

5. When you fall, your matchmakers pick you right back up and resume the mission. After all, the first match will not always be *the one*; the second and third may not be either. Although you may feel like you want to give up, your matchmakers never will. They know love is out there and they won't stop until they've found it for you.
