As for The Ollie World, their new Nature Collection is sure to help comfort your baby to sleep. Not only because of the softness of their fabrics, but because of the lavender, sky, nest, and stone colors.

They offer a variety of swaddle options featuring the “Ollie Swaddle,” which keeps your baby tightly bundled while regulating their temperature. Using Ollie swaddles help babies

stay comfortable and cool, and reduces the risk of overheating. It also allows for quick access to diaper changes and is made to grow with your baby through important transitional stages, while supporting them as they hit significant developmental milestones. If baby fever strikes again, you will be all set with the Ollie Swaddle.
