Cupid's Advice:

It's never easy saying goodbye. Watching the moments become faint memories, slowly fading into oblivion. Just because things may be getting more difficult, doesn't mean you have to give up the life you starting building with someone. Cupid is here to share some ways with you:

1. Go on a private getaway together: Remove the stressful demands of everyday life and go to a place where you can just focus on each other. Taking time out of a busy schedule is often the best medicine.

2. Find common goals: The aim is for both of you to share what you want your life to be about, where you want to end up and what these things mean to you. Look for anything that's common between the two of you and talk about ways to work toward that aspiration together.

relationship, but your internal disposition. Communication is key.
