Cupid's Advice:

Raising a family can be a handful. It takes a lot of juggling to take care of multiple babies. Luckily Cupid is here to help:

1. Shifts: Sleeping and feeding your newborn isn't something that just one parent should do. Take turns staying awake and getting up early to watch over your baby. Make sure you're both on the same page as to not get overworked.

2. Communication: Be aware of your partner's schedule and level of abilities. If they can't babysit or be home at a certain time, you need to know about it. Always stay in constant contact with your mate and be conscious of their needs.
