Cupid's Advice:

Marriage is an exciting relationship milestone, but when the nuptials are over, you might find yourself wanting to expand your family. Cupid is here to help you figure out when you should have your first child:

1. Security: A perfect time to have a child is when you are secure financially and emotionally. Children are huge responsibilities, especially when they're infants. Making sure you can provide all that they need and deserve will help you get through this sometimes stressful stage.

The only way you'll be a hundred percent sure of your decision is by

talking to your spouse.
