Cupid's Advice:

No one could have foreseen this celebrity relationship coming to an end, but it is important to know what signs to look for in your own relationship that could mean you're headed for a break up:

1. Last place: If you are repeatedly put at the bottom of your significant other's list of priorities, prepare for the worst. Having your S.O. choose friends or work over you every time means that he/she doesn't consider your relationship a top priority. You deserve first place, don't settle. This shows a serious lack of effort.

2. At a loss for words: When you realize that you two are having less and less to talk about it's a sign that you're growing apart. If conversations are becoming boring, or draining, it's time to rethink your relationship status. Hanging out shouldn't feel like a chore.

3. Not the time or place: Sometimes it can be as simple as this—you're not at the same place in your lives. If you are both trying to pursue a career, or need to be close to your family, things can get in the way. Life gets complicated and if you are both dedicated to something that is pulling you

away, it may be time to decide as a couple not to be a couple anymore.
