As a television personality and former “Girl Next Door,” men often think they know me personally. But just because I’m accessible, that doesn’t mean I’m obtainable!

The truth is, while having men pay attention to you when you’re out at dinner or at a club is flattering, the constant flood of cheap lines and cheaper cologne can quickly ruin an evening.

So what’s a guy to do when he wants to land the girl of his dreams? Drop the posturing and player image, listen to what the woman has to say, and take...it...slow. In order to get things rolling in the right direction, I’ve come up with several apps currently available at Appitalism.com that are certain to take your dating skills to a new level:

50 Things Girls Wish Guys Knew(Free for the iPhone) – Are you struggling with your relationship? Let's face it, you can never know everything about a girl! But don't worry – here are 50 things that all guys should really know about girls.
