## **This celebrity couple’s break-up was short-lived. What are some things to consider when you find yourself in an on-and-off relationship?**

### **Cupid’s Advice:**

Break-ups aren’t always permanent. Sometimes couples just can’t let go, but it’s a tricky place to be in. Cupid is here to help:

**1. Times:** If you’ve broken up one too many times, but still manage to get back together, that’s great. It proves that both of you want to work on the relationship. But, if it’s been too close for comfort time and time again, be aware of it. Don’t get stuck in a rut.

**2. Happiness:** Your level of happiness is important, so if the relationship isn’t working for you, get out. There’s no need to stay in that kind of relationship if it’s causing you grief. It’s not for everybody and if you want some more structure that’s fine too!

**3. Exclusivity:** Does being in an on-again off-again relationship keep you from dating other people? If that’s something you want to consider, then cut ties completely with

your partner. If it's truly off and on, maybe you'll get back together in the long run.
