No new celebrity couple this time around! What are some ways to keep rumors about the status of your relationship on the DL?

Cupid's Advice:

Even if you aren't dating somebody, the rumors could still fly. People talk regardless of the status of a relationship and whether it's a friendship or a partnership, it's not safe from rumors. Cupid is here to help:

1. Confirm it: If someone asks you about the status of your relationship, tell the truth. Don't let the gossip weigh you down, but turn it around! Spread the word so that everybody gets their facts straight.

2. Ignore it: Rumors and gossip will always be present when it comes to relationships. Jealousy and bitterness tend to cause people to do some crazy things. Don't get caught up in it, it's not worth your precious time.

3. Embrace it: Take it as a compliment that people are interested in your love life. If they aren't being nasty about it, it's harmless fun. When the gossip is cruel, that's when you need to consider their insecurities and see that it's not

your fault or problem that they're involving themselves.
