Cupid's Advice:

Being single again can be as exciting as getting into a new relationship, and you'll want people to know. There are plenty of ways to announce that you're single and ready to mingle without coming off as desperate or obnoxious:

1. Relationship status: This is probably the most 2016 way to announce that you're single again. Log on to your Facebook account, and change your relationship status to single, or go onto your Instagram and take your boyfriend's initials out of your bio. These changes are extremely subtle, but people do take notice.

3. Word of mouth: If you're not into announcing your new relationship status on social media, tell your close friends first and let the word spread naturally. Your friends will

meet up with old friends and when people ask if you and your boyfriend are still together word of your single status will slowly get around.
