

JESSICA ALBA IS EXPECTING

Jessica Alba and husband Cash Warren are adding one more to their brood, according to UsMagazine.com, and Alba took to Facebook to let her fans in on the good news. "Honor is going to be a Big Sister!" the actress wrote. "Cash and I are thrilled and wanted to share the news directly with you so you didn't hear about it somewhere else." Alba, 29, and Warren, 32, already have a two year-old daughter, Honor. The soon-to-be mother of two added, "I appreciated all of the love and support you all gave me during my first pregnancy and will definitely appreciate it again this time around."

What are some ways to announce your pregnancy?

Cupid's Advice:

When you find out you're expecting, telling people can sometimes be the most exciting (and difficult) part. Cupid has some tips on how to break the news:

1. Be creative: If you're looking for ways to tell your partner, try something different. Put a baby rattle or little socks in his pocket to find later and sit back and wait for him to figure it out!
2. Go public: If you're really excited about the pregnancy, why not

shout it from the rooftops? Use social media like Jessica Alba did, or make a huge sign saying "I'm pregnant!" for your friends or relatives to see when you invite them over.

3. Tell your folks: If your parents live far away, try sending them a blank card and in child's script write, "To my future Grandma and Grandpa. I can't wait to meet you in 9 months! Love, Baby."
