Cupid's Advice:

Sometimes anger fuels bad decisions. In Lohan's case to combat pregnancy rumors, she went on a mini vacation. No harm, no foul here, but it's not always so simple. Cupid is here to help:

1. Jealousy: A little bit of jealousy doesn't hurt when keeping your partner in check, but don't take it too far. Never cheat on your partner or flirt too much with another guy to make him jealous. You might end up losing more than you gain.

2. Banter: Having conversations about how you're feeling is important in a relationship. You can joke around and pretend you're angrier than you are or upset just to get him to react, but it's not always going to work. Guys can be smart even when they're being dumb. Don't push your luck.

3. Ignoring: When your man pisses you off, give him the cold shoulder. If you mean something to him, he'll come crawling back for a little more of your time. You'll see the real him

come out when he's not getting everything he wants.
