Cupid's Advice:

Only time will tell if this celebrity couple makes it down the aisle! If you think you're ready to tie the knot with your partner, consider the relationship advice below:

1. You no longer want to change him: In the beginning of a relationship, it's tempting to want your beau to be the type of guy who surprises you with a dozen roses, always picks up after himself, and can make a new friend anywhere, but as time passes, you may realize that's just not who he is. Before you get hitched, you need to accept him as he is.

2. You're willing to compromise: Sure, happy relationships are all about compromise, but marriage gives the word a whole new meaning. If your families live in different states, you can't spend Christmas with both of them, so you need to be willing to come up with a solution that works for both of you. Once you truly understand what it means to compromise – and you're *willing* to do so – you're one step closer to be ready for marriage.
