Cupid's Advice:

It's up to you to set the mood on your special day. Here are some tips to help you decide:

1. Decide on appropriate music: Whatever method of music you agree on, decide what type of theme you want your music to coincide with. If you're looking for a more upbeat wedding with lots of dancing, make sure your music reflects that mood.

2. Lighting: A flashy wedding will have lighting that changes color and dances with you to the music. If you're looking for something a little more peaceful, a dimmed atmosphere will set the romantic mood.
