Cupid's Advice:

This celebrity relationship is the first one for Rossdale since his split from Stefani. So how do you know when it's time to date again following a break-up? Consider this love advice below:

1. You've allowed yourself to heal: There's no right time to jump into a new relationship after a split. Don't rush things. Instead, do whatever feels right for *you*. It's important to heal your broken heart first. After all, no one wants to be part of a rebound relationship.

2. You've spent some time alone: Self-reflection is always a good thing. Take your newly-found freedom to rediscover who you are. Allow yourself to grieve your loss and then focus on whatever makes you happy. Figure out what you want in your next relationship – and then, go after it!

3. You're truly over your ex: It's normal to have lingering

feelings after a break-up. Before you start dating again, do a self-check: How would you react if your ex called you? What if you saw them out with someone new? How do you feel when you see old pictures of the two of you together? If you can handle these situations with grace, you're ready to move on.
