Your young adult is probably excited to attend their first year of college, or maybe he or she is returning this year. The [parenting advice](#) that you may want to give your child is to only pack what they need for their school year. If your college student is obsessed with their [fashion](#)outfits and accessories, it may be challenging for them to put a limit on what they bring along. With Modular Closets, they'll have the

ability to store away many outfits, sports gear, textbooks, and accessories all in one space. Measure the space you would like to work with and see how you can transform any dorm room or apartment with a celebrity style touch!

Treat your college student to an organized and stylish school year with Modular Closets with these Pre-Designed options!

1. 5′ Bi-Level Hanging Modular Closet Organizer With Shelf Tower: Stack up your students sneaker or heel collection with the shelf tower or hang up favorite outfits in the hanging organizer! The shelves are made of solid plywood that can hold up thick and heavy textbooks when your student needs to have space for their class assignments. This space is easy to assemble and is pre-drilled to put in a living space.

2. 5′ Double Hanging Modular Closet Organizer: If your college

student is attending a school out of state, it may be easier for them to bring clothing for every season. Having a wide variety may mean less space for dorm room decor and furniture. With having this closet organizer, you can let your child have a closet like an all-star athlete or famous pop star!
