This celebrity baby news is the talk of the tabloids right now! What are some ways to cope with an unexpected pregnancy?

Cupid's Advice:

This pregnancy definitely came as a surprise to Kylie and Travis, but it seems like they're handling it really well! If you're having difficulty coping with an unexpected pregnancy, here are some of Cupid's tips:

1. Assess the situation: Before taking any further action regarding the pregnant, it's super important to assess the situation you're in. Is the baby's other parent in your life, or do they want any part in the pregnancy? What's your financial situation like? Do you have a stable job? These aspects are really crucial, and it's even more crucial to make sure everything's in line before the baby is born.

2. Lean on loved ones: Unexpected pregnancies can be a very difficult thing to cope with, so take this opportunity to lean on your loved ones for support. Confide in trustworthy people that have your best interest in mind. You should not have to deal with this situation completely on your own, so don't feel ashamed about leaning on others when you need love and support the most.

3. Start planning: In order to rid yourself of existing stresses and anxieties, you could just begin planning for the baby's arrival. You could start slow, like simply looking at the necessary doctors to ensure a healthy pregnancy, or even start preparing for the baby's nursery. Take your time, but don't ignore the issue at hand because you're nervous.
