Cupid's Advice:

Trust is a huge part of a relationship and without it, you and your partner are doomed to fail. Still, putting your trust in someone can be scary and hard. Here are a few ways to know if you can trust the one you're with:

1. You know where their heart is: When you are dating someone, you should feel like you are their number one. You should never feel like you are in competition with someone else and have to struggle to gain your partner's affection. If you know that their heart lies with you and only you, then you have a foundation of trust being built.

you shouldn't trust somebody. If they are not hiding the fact that they're doing shady things and sneaking around behind your back, you should back away. However, if your partner does nothing but show you that they are worthy of your trust, believe them. It is true that actions speak louder than words.
