Khloe Kardashian is expecting a celebrity baby boy. What are some ways to prepare differently for a baby boy than a girl?

Cupid's Advice:

A new baby is sure to bring a lot of excitement and joy, regardless if you have a little boy or girl. However, there are a few things to consider when preparing for a baby boy:

1. Be ready to play rough: Little boys like to play rough. This is totally natural, so don't be scared! Just make sure to teach them the difference between playing rough and intentionally trying to cause harm.

2. Embrace the gross: Boys are usually messier than girls. It's probably embedded within their DNA (just kidding!). Prepare to clean up lots of messes, and embrace your boy for who he is — even when he tracks a whole lot of mud into the house.

3. Don't tie yourself down to the stereotypes: Blue isn't just for boys! Don't feel pressured to follow that societal rule. You don't have to dress him in blue or buy him toy cars "because he's a boy." If you want to, then go for it — just know you have freedom to choose.
