Karley Kemble

October 2017 to Present
Writing Intern

Karley Kemble joined the Cupid's Pulse team fresh out of college. She went to Cal Poly, San Luis Obispo and earned a Bachelor of Arts in English with an emphasis in Creative Writing. One day, she hopes to become a published author. In the meantime, she is thrilled to be a part of Cupid's Pulse and nurture her passion for journalism and pop culture.

From an early age, Karley has been very in-tune with the celebrity world and remembers making PowerPoint presentations filled with zillions of pictures of Mary-Kate and Ashley Olsen. She doesn't do that anymore but still loves keeping up with the latest celebrity news! Currently, her favorite celebrity couple is Miley Cyrus and Liam Hemsworth because they make her inner 16-year-old super happy.

When she's not writing, you can find Karley binge-watching Netflix, hanging out with her dog and cat, or people watching. She also really enjoys studying human relationships. The best piece of relationship advice she's received is that you must love yourself before you can love others. She currently resides in the middle of California.
