Cupid's Advice:

It's not impossible to rebuild a broken relationship. While it may take a lot of work, if you are wanting to move on from past occurrences, Cupid has some tips you can implement into your lives:

1. Act lovingly: Within the tougher times when emotions are high, it will be more challenging to respond kindly. Even in the toughest of times, it is critical to keep love in the forefront. If your partner sets you off, instead of putting your guard up and acting defensively, take a step away from the situation. Then, think of an appropriate way to respond lovingly.

2. Follow through: Remaining consistent is very important. You must follow through on your word, and your partner must follow suit. An already rocky relationship will be impossible to mend if one person thinks they are more reliable than the other. If life gets in the way of you staying true to your word, make sure you maintain an open line of communication to show that you respect your partner.

3. Maintain patience: Trusting someone is a gradual process. It's certainly more challenging to rebuild trust after a serious situation occurs. Be patient and know that you cannot magically trust someone overnight. If the relationship is worth it, it will happen, though.
