Cupid's Advice:

Regardless if you have been with your partner for a matter of months or many years, it's important to keep the spark alive! If you're looking for different ideas to reignite the romance, Cupid has some tips for you:

1. Surprise each other: Never underestimate the power of a random surprise. Leave a cute note in the pocket of their jeans or in the glove box of their car. The more seemingly random your hiding spot is, the bigger the surprise will be!

2. Embrace spontaneity: We are creatures of habit, and it's easy to feel attached to routine. Your relationship should never feel like a chore! Instead of doing the same thing you always do, say "yes" to new experiences. Do something together that is totally out of your comfort zones because it will bring you two closer together. Spontaneity almost always leads to memorable moments, too!

3. Do things on your own: Now before you jump to conclusions, hear us out! Yes, this does sound counterproductive. How could

spending time alone possibly bring you and your partner together? Perhaps your partner doesn't like the same things as you – that's okay. Think about this: allowing each other to spend time apart gives you more to talk about. What is better than seeing somebody you love talk about something they're passionate about?
