1. Smile: With this piece of expert dating advice, Olin reminds us of the saying, “Your presence is a present.” Walk out the door, be present in your body, and smile – and you can attract men like crazy. Eye contact and compliments pair well with a smile. “That’s like a ‘come over’ signal,” she explains. “90 percent of the time, a man will approach you and at least start talking to you. It’s all about your energy.”

2. Engage with them: “There’s a lot of advice out there, including to let a man lead,” Olin shares. “While I believe that, men are confused when it comes to modern dating.” Men are often very careful as a way to ensure that they’re respecting you. Have a belief deep down in your soul that men are good people, and make an effort to get to know them. Remember: Your vibe attracts your tribe.

3. Let go: After you smile and engage with them, let them be the one to pursue you, to call you more. “You’re not pursuing. You’re a friendly receptor of light,” Olin says. “You want him to pursue you, and he’s looking for permission to do that.”
