

Date Idea: A Day with Your Pumpkin

By [Jessica Gomez](#) and Shannon Seibert

Sure, picking and carving pumpkins is a fun date idea, but sometimes we want to change it up. Outdo yourself and head to a pumpkin festival or to a fall fair. Really breathe in the autumn air and experience the season's spirit together. Participating in this unique [weekend date idea](#) can do wonders for your relationship because of the bonding.

We have a date idea for you and your “pumpkin” this season. Check

it out:

Go to a fall fair as a date! Fairs are a great date spot because there is something new to discover around every corner. Whether you view the festivities from the heights of the Ferris Wheel or chow down on goodies, it's always eventful. Hop on a hayride together and listen to ghost stories with your bae. Chase each other through a corn maze and challenge each other to some carnival games. Fall head over heels for your boo thing as you're both whipped around on the fair rides. Classics such as "The Twister" and bumper cars will bring out your sense of adventure and have the both of you laughing and screaming with joy.

After you play, check out some of the fair's shows. Usually, there are monster truck rallies, tightrope walkers, and even magic shows that will captivate you and your love. Be sure to get good seats because you're about to be amazed!

At the end of your fair-a-pollooza, have your partner pick out a winning pumpkin to take home. Together, carve out the insides and remove the seeds. Then, bring your pumpkin to life with creative designs.

For a delicious snack, gather the seeds and wash off the pulp. Preheat your oven to 350 degrees and place the seeds on some baking sheets. For a more classic snack, coat them in a light glaze of extra virgin olive oil and sprinkle them with salt. If your pumpkin is looking for a more tropical taste, glaze the seeds with coconut oil and a hint of pineapple juice. Heat the seeds for fifteen to twenty minutes or until golden. Yum!

End this date idea by grabbing a quilted blanket and a cup of hot cocoa and heading to your couch. Munch on your pumpkin seed goods and pop in a Halloween movie. If your honey is a horror fan, you can never go wrong with old classics, such as *Friday the 13th* or *Halloween*. These films will give you an excuse (not that you need one) to hold on tight to your other half because the films will scare you senseless.
