# Relationship Expert Iris Benrubi Shares Her Best Dating Advice

**1. Everyone's anxious after heartbreak:** In fact, being anxious is a way of taking care of yourself – it's completely normal. You need to pay attention to how your anxiety shows up in your relationships. "What do you do to keep yourself safe? And is it working?" Benrubi asks. "You want to see how that anxiety is either moving you towards a relationship or moving you away." **2. Consider what you learned from your last relationship:** Don't come from a place of blame, but think about what you were responsible for. Did I speak up enough? Was I too harsh? How can I do things differently in the next relationship? "Our lives are about maturing and growing and evolving," the relationship expert shares. "As unfortunate as a break-up is, it's actually an opportunity to become a better version of yourself." This piece of dating advice is very positive and future-focused – which is a good thing!
