Cupid's Advice:

Sometimes it takes us longer than others to fall out of love with someone. It can depend on who that ex is, how the relationship was, or how it ended. However, cupid has some [love advice](#) on how to deal with still loving your ex:

1. Analyze your feelings and the situation: Be sure of what you feel. Sometimes we think we feel one thing when in reality we actually feel another. We are only human, so we do make mistakes. Also, evaluate the situation, think with your mind and not your heart. Only because you love an ex does not mean that you should be with them, or even have them in your life for that matter. Evaluate everything carefully.

2. Keep busy: Be productive. Keep yourself distracted while bettering yourself, that's the best thing you can do after all. This can also detain you from taking any decisions that you may regret later. Give your mind some time away from your ex and do what you have to do. After giving it some time, take

it from there.

3. Get closure: When the time is right that is! Don't move too quickly. Sometimes what we want is to contact an ex, just for the hell of it. If you need closure, get some. Sometimes instead of closure, things may possibly get fixed, but don't go into it with expectations. After giving yourself the adequate amount of time and you're in a place that's as good as it's going to get for the moment, go for it.
