Cupid's Advice:

Deciding whether or not to get back together with your ex is difficult. Cupid has some things for you to consider:

1. Think about why you two broke up: Before reuniting with an old flame, it's important to consider why you broke up with your partner in the first place. There are reasons you and your ex-beau ended things, and it's important you remember them. If the problems are still there, it's likely getting back together will lead you to more heartbreak. But, if you and your ex have changed for the better, it might be worth a shot to give things another go.

2. Intentions: It's important you consider why it's you want to get back with your ex. If you only want to do it because you're lonely and miss the comfort of the connection you two once had, reviving your romance might not be best for you. You have to make sure you're content being on your own and are not just looking for an easy way to be off the market again. Get back together with your ex because you still miss and love him or her, not because you miss being in a relationship.
