Getting over a break-up can be really hard, but a best friend can make it easier. Cupid has some reasons you should turn to your friends after a break-up:

1. They can cheer you up: Your BFFs can be a shoulder to cry on and your biggest supporters in making you feel better. Stop moping around after a break-up and instead hit the town with your closest friends. Having a good time and forgetting about

your ex can seriously make things a lot better.

2. You can vent: If you're not in the partying mood, your friends can totally be the people you spill all your feelings about the break-up to. You've probably told them all about your relationship in the past, so they know the situation and can give you advice on how to get over it.
