

Prince Harry & Duchess Meghan Did Not Attend Priyanka Chopra & Nick Jonas' Wedding

By Gabrielle Huevo

In latest celebrity news, Priyanka Chopra and Nick Jonas tied the knot this past weekend in India. It was a star-studded event with all of the Jonas Brothers in attendance. Several musical numbers were performed by the talented guests. The couple hosted two ceremonies: a christian wedding officiated by a pastor and a traditional Indian wedding. Prince Harry and Duchess Meghan Markle did not attend the wedding in India. Many speculate that the royals did not make an appearance because of Markle's pregnancy. Priyanka Chopra attended the [royal wedding](#) at Windsor Castle back in May of this year. Chopra and Markle have become best friends, even though they have not known each other for very long. The two friends have shared that they met at the ELLE Women in Television dinner in January 2016.

This celebrity wedding won't include the smiling faces of the royals, unfortunately. What are some factors to consider when you're deciding who to invite to your wedding?

Cupid's Advice:

- 1. Pick the venue:** Chopra and Jonas decided to have two ceremonies and were able to have their reception and celebrations at the Umaid Bhawan Palace in India. A perfect place for a long guest list!
- 2. Consider your budget:** Celebrity weddings have the luxury of a ton of money for the joyous occasion. But will you be paying for everything? If you choose a destination wedding like Chopra and Jonas, will you pay

for anyone's travel and stay? It might be better to stay put and save the travels for the honeymoon!

- 3. Choose a number:** Decide what kind of reception you want to have. Small and intimate or large with excitement? Pick how many people you want to attend the ceremony and reception. For a small guest list stick to family and very close friends. For a long guest list, a wedding is a great time to invite old friends (exes?) and likable coworkers.
