Cupid's Advice:

Miley Cyrus and Liam Hemsworth are officially husband and wife and kept their wedding day a secret from everyone. But of course, most of us are not celebrities and there are other explanations as to why you should keep your wedding under wraps:

1. Drama-free: Along with all the added stress of wedding planning comes a lot of opinions. Sometimes we get caught up in people pleasing and forget what the day is all about in the first place. Having a secret wedding means that you are keeping the focus on just you and your partner.

2. Less pressure: No matter what weddings are a big deal. While planning your wedding issues may pop up such as inviting people you haven't seen in years, or a budget that keeps expanding, you also want to impress your guest by having the best wedding ever. Keeping that in mind you have a day that becomes bigger than you. By keeping your wedding under wraps it takes you out of the game of what a wedding should be. And allows you to do anything you want on that special day.
