If you're searching for something romantic with this date idea, try ballroom or Argentine tango. Not sure what the differences are? A ballroom tango is a type of dance that you've seen on *Dancing with the Stars*. There are certain moves you must learn – from underarm turns to alternating hand holds to side-by-side choreography. If you and your partner prove to be particularly talented on the dance floor, you can even enter competitions.

The Argentine tango is a social dance, and because there aren't any steps involved, it relies on improvisation. In short, it means that you and your mate can learn how to dance it quickly. You can go out that night and display your new moves at a nearby nightclub or bar!

If you follow this relationship advice and want to do something that's fun and sexy, try salsa. Although couples don't embrace as much as they do in a tango, dancers hold hands most of the time and remain in one spot, often swapping back and forth. If this idea appeals to you, then get ready for all the hip wiggling and spins you'll face! Salsa is a great style for those who just want to be eye-to-eye while dancing with their honey.
