Both the engagement and the relationship are over for Rachel Bilson and Hayden Christensen. According to <u>UsMagazine.com</u>, the couple just couldn't make things work. The pair met in 2007 on the set of *Jumper*. They were engaged a year later and called it off in the summer of 2010. It seems like this on and off couple may officially be on the outs.

How do you know what a relationship is truly over?

## Cupid's Advice:

Sometimes relationships work and sometimes they don't. If you are in an on-and-off-again relationship that just doesn't seem to be working, the best course of action may be to move on:

- 1. Too much drama: If you are in a relationship where the tears of make-ups and break-ups never seems to end, get out for your own sanity.
- 2. Boredom: Along with being over-dramatic, a relationship that is dead in the water can also be underwhelming. If your partner no longer excites or interests you it may be time to say, "Let's just be friends."
- 3. You don't trust your partner: If you're back with an ex and find that you can no longer trust them due to your painful past, don't walk ... run out of this relationship.
