Cupid's Advice:

Some celebrity couples call it quits and never try again. Others, like Cardi B and Offset, find themselves revisiting that old flame and keeping the fire going. As long as you go into a potential rekindling with a different mentality than the one that made you decide to break up, getting back with an

ex can be a good idea when done right. Cupid has some tips:

1. Acknowledge that you have both grown: You may have broken up and the wounds may still be fresh but in order to move on together you have to let go of past hurts. You are both not the same person that you were when you ended your relationship previously.

2. Don't ignore the elephant in the room: Whatever the reason was for the break up, you can't pretend that it never happened. Don't be afraid to open up the communication about the break up without holding on to grudges or letting resentment build up. Be willing to have open communication like Miley Cyrus and her once ex (but now husband), Liam Hemsworth.

3. Don't be so serious: Don't be afraid to let your hair down and relax with your potential significant other. You were comfortable together before, let them back in and trust again. With open communication, trust, and lots of laughter, you'll be celebrating an anniversary like celebrity couple Pink and her husband, Carey Hart, in no time.
