Cupid's Advice:

Brad Pitt is officially single now and seems to be focusing on himself and his children. If you're in a similar situation, here are a few things to consider about moving on after a split:

- 1. Do your thing:** It's hard to figure out how to be yourself

when you have been with someone for so long. Whether it's 3 AM dance sessions in your underwear or a vampire movie binge, take time for yourself to figure out where you want to go now.

2. Start dating: There is going to be a time when you have to get out there and start dating again. It's okay if you're not ready yet, but it doesn't hurt to poke around a dating site or to go to a bar for a few drinks just to talk to strangers to explore your new options.

3. Spend time with loved ones: Whether it's your kids needing time with Mom or Dad on the weekend or reconnecting with an old friend you haven't seen in years because life got busy, reconnecting with someone important in your life can negate any negative thoughts that may pop up over the situation that caused your split.
