

Expert Dating Advice: Tired of Online Dating Sites? 3 Ways to Get Off As Quick As Possible

Online dating can be physically exhausting for a lot of people. Add to that the emotional exhaustion that often comes with the territory, and it's easy to see why so many people would do anything to get off of dating sites as fast as possible. If you fall into that camp, here's 3 tips that may boost your ability to find love quicker than you think.

Get off online dating with these tips!

1. Take control of your fate. The best way to ensure that you will find what you are looking for is by assuming responsibility. This means being an active online dater. Don't just wait for someone special to show up in your inbox, because it may never happen. Get out there every day, search religiously, and initiate conversations with those that interest you.

2. Target with precision. It's easy to get distracted online by a cute smile or someone that is just plain hot. But what if they have long-term deal-breakers that you know will not be compatible in the long run? Avoid these setbacks and potential distractions by creating reasonable filters that allow you to engage with men and women who fit your long-term partner priorities.

3. Don't treat online dating as an option. Tired from work? Too bad. Drinks with friends for happy hour? No excuse. Whatever it is you have going on in your life, take a half hour to an hour a day to make sure you are performing searches and initiating your conversations. What you do for money is your first job. Your second job is to scour online dating sites looking for the ideal partner. This needs to remain your priority and treated like the full-time job that it is.
