

Celebrity Couple News: Justin Bieber & Hailey Baldwin Debut Wedding Bands

By

Emily Green

In the latest [celebrity news](#), Justin Bieber and wife Hailey Baldwin debuted their wedding bands nearly a year after getting married, according to *UsMagazine.com*. This [celebrity couple](#) got married on September 13, 2018, and their love couldn't be stronger today, after numerous ups and downs in their relationship prior to marriage.

In celebrity couple news, the Bieber's are publicly showing their love in marriage. What are some benefits to wearing wedding bands?

Cupid's Advice:

Wedding bands are not only a symbol of your relationship status, but also show the commitment you've made to your spouse. Wearing a wedding band is a constant reminder of the love you and your spouse have for one another, and you can let the world see your love each and every day! Here are some of Cupid's reasons for why you should wear your wedding band every day:

1. People know you are taken: Seeing a wedding band on your finger is the number one indicator to everyone around you that you are taken. A wedding band is an easy way to say "My marriage matters to me," without even having to say it out loud.

2. A wedding band is a symbol of respect towards your spouse: When you and your spouse got married, you made a commitment to each other. This commitment cannot go over well unless you have good communication. By wearing your wedding band, you remind your spouse every day that you are there and ready to listen, no matter what.

3. It is a constant reminder that the decisions you make also affect your spouse: Even when you and your spouse are apart,

your wedding band serves as a constant reminder that whatever you do can and will have an effect on your spouse. Whether it is interacting with another person or agreeing to something, take the time to step back and think, "Would my spouse be okay with this?"
