Cupid's Advice:

Everyone's wedding is different, no matter the size, location, or if they have more than one! Whether a wedding is planned out or done in the spur of the moment, a wedding is an absolutely amazing event which deserves to be celebrated for as long as the couple plans. Here are some of Cupid's reasons why couples can have more than one wedding celebration:

1. The wedding was a spur of the moment: Maybe you and your spouse walked by a chapel and decided then and there to get hitched, or maybe you went to city hall because you didn't want a big fancy wedding. It doesn't mean your celebration can't be full of fun if you had a quick wedding!
