## **Cupid's Advice:**

A break up with a significant other is never easy, especially if it wasn't mutual. While sometimes drama comes with the breakup, it is always possible to sit down and talk with your ex to work out your issues before you go your separate ways so there are no bad feelings residing. Here are a few of Cupid's ways to avoid drama after a tough split:

**1. Assess the situation:** Sit down with yourself and do a bit of self reflection- what exactly is leading to this break up? How have you reacted to things? How has your partner? Find the root of your worries and think about how you want to address them with your ex, so you can work out those feelings before anything gets out of hand.
