Have you ever lopped off all your hair and then immediately regretted it? Maybe you planned a [date night](#) with a new guy from your favorite dating app, and now you regret losing those locks. Or, perhaps it's not because you want to impress a guy at all—you can't decide if you want to grow your hair out for a change. Hair extensions are great for those moments in life where we feel indecisive, and Barely Xtensions at Sally Beauty has you covered with 18" and 20" options.

Check out these great hair extensions from Barely Xtensions in our product review.

These extensions are made with real hair.

Barely Xtensions uses Remy hair—real human hair—in their hair extensions. Human hair versus plastic or other synthetic material works best if you plan to style your extensions. You have your stylist cut the extensions to blend in with your hair so it isn't obvious you have them in. The biggest perk to wearing extensions is the ability to take them out after a hot day so you don't have a heavy curtain of hair around your shoulders. Since it's real human hair, you can style them however you want—with a curling wand, flat iron, or whatever style you're in the mood for that day.

Barely Xtensions look natural.

Each extension provides a revolutionary, micro-thin weft that blends in with your hair. It won't stick up like some other extensions and appears more natural since the wefts are made from real human hair. Every extension is hand-picked for silky, tangle-free hair that is thick from top to bottom, instantly helping you get that added length to your own locks. The clips are no-damage, meaning they will not get stuck in your hair after you're finished wearing them for the day.
