Cupid's Advice:

Wedding bells are in your future, but the road to the chapel is a long one. Fear not! Long engagements are challenging, but there are ways to reassure your partner and reaffirm your love during the process.:

1. Remember the date: Commit to small gestures that remind your partner you are excited for your nuptials, however far down the line they may be. Write the date with doodled hearts on your fridge's whiteboard, or leave your partner a sticky note reading "one year to go!" However you remind your significant other of your excitement, make it a fun, any day surprise.

2. Keep the romance going: Wedding planning can throw your brain into overdrive. While the details may be tempting to take over your life (and all your conversations), share a world with your partner outside of your wedding. Find a balance between excitement for your wedding and commitment to your love life by scheduling date nights where wedding talk is off the table.
