Check out this dating advice about the best places women can find other women to date.

Go Online

For a lot of smaller communities, it is a lot easier to connect online. There are some specialized lesbian dating sites that allow you to easily browse through profiles and find someone you would like to get to know better. After you have spent some time getting to know a few people, you can schedule a date with someone you find interesting. Because you've already chatted online, it takes some of the edge off of the first encounter. There won't be as many awkward silences. The only thing left is to determine whether you have chemistry with one another.

Attend LGBT Community Events

If you prefer to meet potential partners in person instead of online, you can always attend a community event. Check out what's happening online at your local LGBT community center, or see if there are any "pride" events in your area. If you haven't come out to your family and friends yet, consider attending the events in a neighboring town to avoid encountering anyone you know. It's all about feeling comfortable enough to be open and flirt, so if you need a change of scenery, that is what you should do.

Visit Your Local Lesbian Bar

If you are out and proud, there is nothing preventing you from frequenting the local lesbian bars. People gather openly and without fear and judgment at these types of establishments. Everyone there knows who they are and what they want, so all that is left is to find someone you are attracted to and start

up a conversation. And remember, if you only want to party and hook up, the weekend scene is what you need. On the other hand, if you are looking for something more meaningful and permanent, you should definitely go out on a weekday evening. That way the atmosphere is more relaxed and you can have a quiet and friendly conversation.

These are just some of the ways you can meet other interesting women with the hopes to develop a relationship. So, choose which one works best for you and go for it! You never know where you will find love.
