Cupid's Advice:

When you and your partner are ready to start a family, consider adopting kids! Adoption comes with its own set of challenges, but it's just as rewarding (if not more) as having your biological children. If you're not sure if adoption is right for you and your partner, Cupid has some advice for you:

1. You are unable to have biological children: Many couples who are unable to conceive on their own turn to adoption. Whether you have fertility issues or have a same-sex partner, adoption is the perfect way to expand your family.

2. You want to help the foster system: Many people feel that they should adopt children, not because they are physically unable to do so, but because they want to lighten the burden of the foster system. You and your partner have love to give and there are thousands of children who need a loving home.
