Cupid's Advice:

Holidays are a great time to be with the people that you love most, and for a lot of people that means being with their partner, but not everyone feels the same way. If you are debating if you should spend holidays with your partner, Cupid has some advice for you:

1. Share the intimate moments: Since there is no work or school on national holidays, there's nothing else for you to do besides enjoy the holiday and be with the people you love. Instead of running around like you would on a regular day, you can not only be with your partner, but be present with your partner. You can cherish those long lasting memories that you make on holidays together.

2. Introduce your partner to your family: The holidays are the perfect time to introduce your partner to your family. Everyone is happy and filled with holiday joy, and conversation just flows easier on the holidays. Your partner is bound to have a better relationship with your family if they meet on a holiday rather than meeting on a regular day.

3. Be playful together: Holidays are meant for you to have fun and be playful. Use this time with your partner to let your hair down and bring out that fun-loving nature. Go out and do something that you normally wouldn't do together, or stay in and play a board game. Whatever it is, strip the responsibilities of adulthood just for today and bring out your inner kid.
