Cupid's Advice

Getting pregnant for the first time can most definitely be scary. If you're a soon-to-be mother looking to keep your fear at bay while pregnant, Cupid has some advice for you:

1. Read about motherhood: One thing you can do to relax your fears is to start reading. If you get more knowledgeable and familiar with the idea of motherhood, it might not scare you so much anymore.

3. Try to focus on the excitement, not the fear: Even though you might be overcome with fear during your first pregnancy, try to focus on the excitement and joy you will experience once your baby is born. This will help you to stop focusing on your nerves and be able to love the little one you're expecting.
