

Fun Fall Beauty Tips

By Carly Silva

Fall is officially here, and that means new beauty trends. Transitioning from summer to fall can warrant a lot of different changes for your beauty routine, including different skincare tricks and a new color palette.

If you're looking to switch up your beauty routine for the fall, here are five fun beauty tips to help

you get ready for the fall:

1. Change up your skincare: Fall means cooler weather, which can be tough on your skin. It's important to keep your skin moisturized, which can mean drinking more water or maybe switching to a heavier face moisturizer. Also, it's a good idea to invest in a moisturizing lip product to keep your lips from looking chapped as the weather gets colder.

2. Show off some autumn nails: The fall season is the perfect time to embrace darker color palettes for nail art. Don't be afraid to explore grey tones, purples, reds, oranges, and greens. These dark fall tones will top off any fall beauty look.

3. Warm-toned eyeshadow: Fall is the perfect excuse to wear warm, shimmery, and even glittery eyeshadow. Sparkly golds are extremely trendy this fall, so top off your makeup look with a glittering eyeshadow or a sparkling highlighter on your cheekbones.

4. Add in some dark accents: Something that makes a look pop in the fall is adding a dark accent to your makeup look. The best way to do this is to add a dark lip or fill in your brows to be nice and thick. This type of look is a nice contrast from summer trends and will definitely make you look like you're ready for fall.

5. Don't forget about SPF: Even though you may not be basking in the sun and laying on the beach like in the summertime, SPF is still very important. If you're still going to be outside for fall activities, or even if you won't be outside much, SPF is something your skin needs every day, during every season. Keep your skin healthy and avoid fine lines and premature

aging all season long by keeping up with your SPF.
