By Carly Silva

Winter fashion can be tricky, and finding the balance between a cute outfit and one that keeps you warm and comfortable can be a difficult task. Luckily, layering up is a fun winter [fashion trend](#) that will help you dress for any cold temperature, while also still looking trendy and chic!

If you're in need of some cold-weather fashion trends, here are

five tips for layering up this winter:

1. Add a pea coat: Pea coats are a great piece to incorporate into your cold-weather look. Not only are they extremely trendy, but they're also perfect for layering over cozy sweaters and long sleeves. Pea coats are also great to add if you're looking for a long jacket to cover your legs and keep you extra warm!

2. Fleece is your friend: Fleece is one of the best materials to add if you're thinking about layering up for the winter. You can find a fleece pullover or long sleeve to add on top of your cute outfit, or you can even wear a fleece jacket underneath a heavier jacket if you live in a really cold climate.

3. Top off your outfit with a scarf: Scarves are a great piece to add to any look that makes an outfit a little more fun and festive. You can add an infinity scarf around your neck on top of a sweater, or even have a big blanket scarf draped on top of your jacket to keep you warm while you travel outdoors!

4. Find some cute and cozy boots: Staying warm in the winter means keeping your feet warm too, but that doesn't have to mean clunky winter boots. Finding a pair of ankle booties, thigh-high boots, or any sort of fuzzy boot is the perfect solution to keeping your feet warm while also dressing up an outfit. Adding a boot is the perfect way to get a winter look without compromising your style!

5. Start from the top: When you're out and about in cold

weather, one of the first things to feel cold is the head and ears. You can easily add any winter hat for a great bundled-up and snowy look. Winter hats are perfect for adding something new to your look and make for a great festive accessory!
